Sections and Subsections for Research Paper

1. Introduction
2. Background and Technical Overview
3. Related Work
4. Methodology
   4.1. Research Questions
   4.2. Search Strategy and Data Sources
   4.3. Inclusion and Exclusion Criteria
   4.4. Screener Design
   4.5. Data Extraction Process
   4.6. Review Quality Control
   4.7. Synthesis Process
5. Architectural Insights
6. Evaluation Methodology
7. Application Scenarios
8. Challenges and Gaps
9. Discussion and Implications
10. Conclusion
